5 – Berry Pigment Control Peel + CBD Booster

DESCRIPTION:
Wage war on pigmentation and photo-damaged skin with this potent 7% TCA peel. Combined with CBD - the most powerful antioxidant - the 5 natural berries with potent tyrosinase inhibiting and antioxidant properties is no match for aging and pigmentation! (The skin must be properly prepared for this peel.)

CLEANSE

1. Dispense 2 pumps Mega-Purifying Cleanser into dry hands and massage into dry skin for 1 minute. Remove with warm cloths and cotton pads saturated with water.
2. Dispense 1 pump Gentle Facial Wash into damp hands. Emulsify with warm water and massage into the skin for 1-2 minutes. Remove with tepid water.

TREAT

3. Using a 4x4 gauze, saturate the skin with Lactic Action Pre-Treatment Solution. Apply to skin to remove all lipids from the surface.
4. Apply Cell Protection Balm on sensitive areas such as around eyes, nose, and lips.
5. Apply 1 tsp 5 Berry Pigment Control Peel with 1/2 dropper of CBD Booster into a small dish. Using a 4x4 gauze pad, thoroughly saturate and apply mixture evenly over the face.
6. Reapply layers as needed 3-5 minutes apart up to 4 layers.

BALANCE

7. Mist the skin with Skin Recovery Mist. Follow with 1 pump of Living Cell Clarifier and 1 pump Skin Restoring Fulvic Elixir and massage in gently until product is fully absorbed.
8. In the palm of your hand mix 1 pump Ultra Hydro Gel and 1 pump Cell Protection Serum. Massage over treated area gently.

PROTECT

9. Apply Photo-Age Environmental Protection Gel 15 and gently pat onto the face, neck and décolleté. Allow to absorb into the skin.

1. Recommended Treatment Time: 60minutes
